City Council

WORKSHOP ON WATER/SEWER RATE STRUCTURE SURVEY

MINUTES

Monday, May 10, 2010

Mayor Cassinelli called the workshop meeting to order at 5:03 p.m. In addition to Mayor Cassinelli, the following Council members were present: Chin, Marshall, Greene and Forner—Jensen arrived at 5:42 p.m. Normandie Hand, Deputy City Clerk was also present.

Skip Rand, Rural Development Specialist with the Rural Community Assistance Partnership, outlined the approach he will take to collect and analyze data in order to determine equitable water and sewer rates that will support infrastructure and build required system reserves. Mayor Cassinelli asked that the study be completed in time to hold public hearings on a proposed new rate structure in October so that City Council can enact any changes before the end of the year. Rand expects to present his findings in September in order to accommodate this timeline.

This public meeting was strictly informational and no decisions were made.

Mike Cassinelli, Mayor

PJ Kezele, Deputy City Clerk
